

HEALTH PROTOCOL COVID-19

FZ FORZA ALPES INTERNATIONAL U19 2021

17 – 19 September 2021

1. BEFORE THE TOURNAMENT

A certificate of negative test (PCR or antigen) dated less than 72 hours prior or a certificate of complete vaccination, is **MANDATORY** for anyone who wishes to access the venue (player, coach, technical officials)

The certificate or QR code can be a screenshot from your smartphone. All the documents are kept strictly confidential. The documents will be permanently removed 5 days after the tournament ends, in accordance with the French data protection regulations. If your document is accepted, your accreditation will be available for collection upon your arrival at Voiron. If something is wrong, you will be contacted by email as soon as possible.

**UPLOAD YOUR CERTIFICATE OF VACCINATION OF NEGATIVE TEST
BEFORE THURSDAY 16 SEPTEMBER 3.00 PM**

While travelling, all protection measures (face masks, social distancing...) must be respected. It is recommended that everyone should proactively and regularly check their health status (including taking their temperature and monitoring for any symptoms) before coming to the venue. It is requested to not travel to the venue, or anywhere for that matter, if you feel unwell, fatigued, have cold symptoms, a fever, cough, and in more severe cases shortness of breath - all of COVID-19's most common symptoms.

2. DURING THE TOURNAMENT

Wearing a mask is **MANDATORY** during the whole tournament.

Except umpires while sitting on the umpiring chair and players during their warm-up or match

Social distance of 1 meter at least must be kept between everybody in the venue. Handshakes are prohibited. Players and coaches should arrive to the venue a maximum of 1 hour before their match and go back to the hotel as soon as all their matches are over. Each player/pair is only allowed 1 coach while playing. Players have to arrive at the venue wearing their match outfit and personal equipment. No changing room or lockers should be used. Players must use their hotel room to shower after the match.

Observe the rules of cough hygiene and regularly wash your hands with soap/warm water or hand disinfectant. Hand sanitising gel will be available throughout the venue. Washing hands will be mandatory for players and Technical Officials at the end of every match, before leaving the court. All areas in the competition venue will be disinfected multiple times during the day by tournament organisers.

If you develop any of the Covid-19 symptoms during the tournament (see above), please directly inform the organisers or the tournament referee, and stay in your room.

In case of a suspected Covid 19 case, the concerned person must stop activity during the tournament and must be isolated. An antigen and/or RT-PCR test has to be done as soon as possible. A room in the competition venue will be provided by the organisers if anyone is feeling unwell or has symptoms, to be safely isolated. A procedure will be decided with the Referee and the tournament director to isolate the person from the other users. A safe route will be used to evacuate the person from the venue, to their hotel room or home.

3. RT-PCR TEST FOR RETURN TRAVELS

A RT-PCR test service will be provided on Friday 17/09. This service is made to ensure everyone complies with the national measures on national/international travel for their return travels on Sunday. The payment will be in charge of the players except for French players (vitale card)
